29 February 2016 - Marco Schoups and Kris Lemmens spoke at Masterclass Confederation Antwerp

The Construction Confederation Antwerp held a Masterclass on Public Procurement Contracts on 29 February 2016.

Marco Schoups and Kris Lemmens spoke about the contractor's liability in relation to other construction actors and third parties.

The following topics (amongst others) were being addressed during this session: (1) fault-based and no-fault liability in the general contractor - third party relationship ; (2) the quality claim in the general contractor – buyer relationship ; (3) the importance of a transparent contract and opposable findings in the general contractor - suppliers and subcontractors relationship ; (4) joint and several liability and the right of recourse in the general contractor – architect relationship.
