

An architect forewarned is forearmed

Appointment of the officials responsible for detecting and investigating infringements by the architect and proposing the transaction in connection with the two laws on compulsory insurance policies in the construction industry.

With the Law of 31 May 2017 on the compulsory insurance of the ten-year liability of architects, builders and other service providers in the construction industry (click [here](#) for more information), and the Law of 9 May 2019 on the compulsory insurance of the civil professional liability of architects, surveyors, safety and health coordinators and other service providers in the construction industry (click [here](#) for more information), respectively, the legislator in recent years has introduced two new compulsory insurance policies in the construction industry.
