Another great ranking for Schoups in Leaders League law guide

We are very proud to announce that Schoups has once again received great rankings in the 2023 edition of the Leaders League guide of law firms. Schoups is 'highly recommended' for 'Commercial Litigation', 'International Arbitration', 'Investigations & White Collar Crime' and 'Insurance Law'.

These new rankings are an addition to the previous rankings for Real Estate ('excellent') and Mergers & Acquisitions ('recommended').

It is always particularly pleasing to see that our focus on quality, commitment and close teamwork pays off. No fewer than nine lawyers from the team are expressly mentioned: Marco Schoups, Kris Lemmens, Gwen Bevers, Geert De Buyzer, Maarten Somers, Benjamin Marchandise, Christine Heeb, Liesbeth Truyens and Bob Goedemé.

We thank our clients for their trust and appreciation of our work, and our colleagues for their passion and dedication. Such recognitions boost motivation and inspire us to do even better.
