Schoups is pleased to announce that it is again mentioned in the Chambers & Partners client guide edition Europe 2021.

Schoups is recommended within the Real Estate domain. The editors of the guide polled our clients and mention, among other things, the firm's hands-on approach with a quick but thorough handling of our clients' questions: "A client reports that the team "demonstrates each time a very hands-on approach and a quick but thorough understanding of the cases."

In addition to the firm, Marco Schoups is also listed as a ranked lawyer for Real Estate. The client guide points out the appreciation for Marco's experience and his practical attitude: "A client appreciates that Schoups "gives practical and clear advice and is a very experienced litigator as well as a negotiator."
