

Continued rankings in the Chambers & Partners Europe and Global Guide 2023

Schoups and Marco Schoups confirm their strong position in Real Estate in the Chambers & Partners Europe Guide 2023. Gwen Bevers is ranked again in the corporate/M&A, both in the Europe and the Global Guide 2023.

In the new edition of the Chambers & Partners Europe Guide, [Schoups](#) is once again praised for the Real Estate domain. The editors of the guide have polled our clients and mentions, among other things, the hands-on and proactive approach of the firm: "The Schoups team replies quickly and they provide very good quality work."

[Marco Schoups](#) is also included as a 'ranked lawyer' for Real Estate. The customer guide points to the appreciation for Marco's experience: "Marco Schoups is really good and has a good team which he manages very well."

[Gwen Bevers](#) continues as a 'ranked lawyer' for Corporate/M&A, both in the Europe Guide and in the Global Guide 2023. "Gwen Bevers is a very seasoned lawyer with a pragmatic and deal-driven approach."

We are very proud and pleased with these recognitions, which are the result of continuous teamwork from all our colleagues, lawyers and staff.

We thank our clients for their contribution to this year's Chambers & Partners research and highly value and appreciate their feedback. And we also thank our colleagues for their unwavering commitment.
