Schoups Restructuring

Recently, Schoups Restructuring was established. This team combines the know-how of several of our professional groups to assist restructurings in an effective, pragmatic and multidisciplinary way.

We handle all forms of restructuring including insolvency scenarios, mergers, demergers, dissolutions, M&A transactions, (collective) dismissals, debt restructuring, etc.

Schoups Restructuring has access to the expert knowledge of our finance, employment law, M&A, corporate and insolvency teams.

Each of us has already assisted numerous national and international companies with their restructuring in any form within our own expertise.

You will find more info on [this page](#).

We will gladly explain it to you personally and without any obligation and discuss how this bundled knowledge can support your company.
