Work of Art at Schoups

On 15 January 2015, Schoups inaugurated a work of art by Maud Van Haegenborgh.

Maud Van Haegenborgh earned her master's degree in Visual Arts at the Academy for Fine Arts in Antwerp in 2014.

The office chose a work from her 2012 series, "Il y a plusieurs guerres".

You can learn more about Maud Van Haegenborgh and her work at www.maudvanhaegenborgh.be

The work of art is located on the 2nd floor of our firm's building in De Burburestraat in Antwerp.

"Maud's work consists of the creation of an open space where the dominant regime does not have control and from which a different relation becomes possible in order to offer resistance. The structures she builds and then documents try to be a call. It's about the beauty of every passionate attempt." – Inge Henneman.

We thank Maud for her creative contribution to our working space.
