

Legal 500

Nous sommes immensément fiers que Schoups soit à nouveau classé dans le guide des clients Legal 500 Europe. La contribution de nos clients a permis de classer nos groupes de pratique dans les catégories suivantes : Construction & Real Estate, Commercial, Corporate et M&A; Dispute Resolution et Environment. Marco Schoups est également classé comme un Leading Individual dans le domaine de Real Estate and Construction.

Nous remercions nos clients pour la confiance qu'ils nous accordent et l'appréciation qu'ils portent à notre travail, ainsi que nos collègues pour toute la passion et le dévouement dont ils font preuve dans leur métier. En tant que cabinet, nous continuons à être motivés par les appréciations de nos clients, comme les témoignages suivants :

“The attorneys at Schoups are easily accessible and provide a professional and high-quality service. They are flexible and always think in a solution-oriented way with their clients.”

“Schoups' environment practice 'stands out with its dynamic, pragmatic and solution-oriented approach'.”

“Schoups is a 'go-to firm for construction' and its 'exceptionally committed' team is 'very knowledgeable of the Belgian construction sector'.”

“They are very punctual in all the paperwork that is necessary in order to complete a transaction. They make sure that the work stays with them and that the customer doesn't have to worry about something.”

“[Their M&A team is] extremely concise and adequate in their legal professional support. Their explaining and translation abilities of contractual concepts into the actual business are beyond great. Extremely professional and adequate. Great language skills and international skills. ‘
